

A Chester County Economic Development Council initiative

## Join the HireOne/ReferOne Program

Have you ever interviewed a great candidate that you didn't hire for your open position? Would it aid your search if you had access to great candidates from fellow employers? Hire One/ReferOne will help you do exactly that—**FOR FREE!**

Here's all you need to do:

- Join **HireOne/ReferOne** as a participating employer
- Identify a “distinguished” candidate that was recently interviewed and share their contact information. You may contact Jim Lauckner, bring the applicant’s resume or contact information to a future meeting, or give directly to another participating employer in the HireOne/ReferOne program.

Complete the form and send to Sherry Cockerham: [scockerham@ccedcpa.com](mailto:scockerham@ccedcpa.com)

Yes! We want to be a HireOne/Refer One participating employer. We agree to refer “distinguished” candidates to other companies within the HireOne/refer One program. In turn, we are open to receiving referrals.

Please provide a website address so that we may add a link on the HireOne website that will direct job seekers to you.
